Title of ECF17 Contribution: Please Center; use Helvetica (Arial) 14

First Author[1*], Second Author[2] and Other Author[3]

[1]Full address of first author, including country

[2]Full address of second author, including country

[3]List all distinct addresses in the same way

[*]presenting author's email

Keywords: List the keywords covered in your abstract.

Introduction. *For the rest of the text, please use Times Roman (Times New Roman) 12.* This document explains and demonstrates how to prepare your camera-ready abstract for the Book of abstracts of the 17th European conference on Fracture. The best is to read these instructions and follow the outline of this text. The text area must be 17 cm wide and 25 cm high (6.7 and 9.8 inches, resp.). Do not place any text outside this area (please do not change the document setting from A4 to letter). Your manuscript will be reduced by approximately 30% by the publisher. Please keep this in mind when designing your figures and tables etc. Book of abstracts will be printed in black and white.

All manuscripts must be in English. Should authors use tables or figures from other Publications, they must ask the corresponding publishers to grant them the right to publish this material in their paper.

Use *italic* for emphasizing a word or phrase. Do not use boldface typing or capital letters except for section headings (cf. remarks on section headings, below).

Extent: One page per abstract. Please make therefore the best layout of the whole A4 page.

MSWord document styles. This template contains 11 styles marked by self-explaining names, prepared for an easy formatting the text. The abstract should contain only parts formatted by following styles: *ECF17Title, ECF17Author(s), ECF17Address, ECF17Keywords, ECF17Abstract, (ECF17Equation, ECF17Reference).*

Do not type "Abstract" at the start of the main text.

Section Headings are typed as part of the succeeding paragraph (like the section heading of this paragraph).

Summary. The abstract should be prepared in the electronic form as a standard document format DOC, and suitable text editor (as MS Word) should be used. The abstract is to be submitted by using the ECF17 registration form (web http://ecf17.fme.vutbr.cz). We strongly recommend to convert the electronic version into the PDF format and to send *both DOC and PDF versions* to the Organizing Committee. If you cannot prepare the PDF version, a print-out of the valid electronic version should be made and sent to the Organizing Committee by surface mail.
